COSMOS

City Of Santa Monica On-line Self-service

The City's newest web based application, will provide you with on-line access to your personal benefits and payroll information. You can view your vacation and sick time accruals, pay history and benefits information. In addition, you can verify pertinent information such as your current home address, telephone numbers, marital status and dependent benefits enrollments.

All efforts are made to keep this data up to date. Should you find any discrepancies in the H/R or Benefits data, please contact:
