To All MEA members when out on Disability, MEA is not responsible to pay for your Premium Due for Aflac Policies. I recommend you send a monthly check to MEA so they can keep you on payroll & pay your premiums.

This will avoid any problems for you lapsed premiums , or a stall in your claims due to nonpayment of the Policy. Also reinstatement of your policy won't be needed because you will remain on Payroll.

Please feel free to contact me to sign up for Aflac, add a Policy, make a change, add or remove a family member, file a claim, or how to collect on your wellness benefits , answer any other questions you may need help with.

If you have any other questions please call me @ 760-249-3566 or email [lisa\\_noble@us.aflac.com](mailto:lisa_noble@us.aflac.com)

Respectfully  
Lisa Noble
